## **CATIA V5 Macro Programming with Visual Basic Script by ...**

CATIA V5 Macro Programming with Visual Basic Script by Dieter Ziethen is a relatively new book about CATIA macros. The description reads: CATIA V5 Macro Programming with Visual Basic Script shows you, step by step, how to create your own macros that automate repetitive tasks, accelerate design procedures, and automatically generate complex geometries.

## **CATIA V5 Macro Programming with visual basic script Review**

A CATIA macro is typical script or program for speeding up processes. If you catch yourself doing same things, it's place for a macro. When you know what to speed up it's not that hard to try to write macro. If you have good level of modeling knowledge I think it's good time to start programming.
