## **DM950DT engine rebuild**

Model numbers for the 31hp should be 588447 and for the 34hp engine 58A447. The engines will probably have a type number of 0201, 0205 or similar with maybe a suffix of 2 additional numbers. All numbers found on top of the valve cover. Let me know what reusable parts you are willing to part with.
