The Rappin' Mathematician. The Rappin' Mathematician sings cool, hip rap songs about core math concepts.

### myMath Universe

One of the goals of Connected Mathematics is to assist children in figuring out as much as they can for themselves. You can help by asking questions that guide, without telling what to do or giving away answers. Good questions and good listening will help children make sense of mathematics, build self-confidence, and encourage mathematical thinking and communication.

I choose students at random to answer. Students will easily give the answers to  $\sqrt{25}$  or  $\sqrt{81}$ , etc, yet they will not be able to give easy answers to the irrational expressions. I then lead them through a conversation where we identify which numbers are, and which are not, rational numbers.
