others.

The Star Witness by Andy Hamilton - Goodreads

The Star Witness is the story of one self-regarding man's descent into disgrace and his journey back to join the human race. A pin-sharp satire on the shallows of modern media culture and the dysfunctional relationship we all have with the idea of "celebrity", it will keep you laughing, cringing and guessing until the very last page.

Read Book The Star Witness

The Witness of the Stars shows, from Scripture, how God named the stars and how the pictures of the Signs were drawn to preserve the meaning of the names of those stars. Each sign has three constellations. Bullinger goes through each of these signs and their respective constellations and gives the meaning of the names of the stars.
